The history of Europe covers the peoples inhabiting Europe from prehistory to the present during the Neolithic era and the time of the Indo-European migrations. The history of the world in common parlance is the history of humanity or human history as determined from archaeology, anthropology, genetics, linguistics, and history of Europe. The emergence of modern Europe 1500-1648 was a period of vigorous economic expansion. This expansion in turn led to the Christian World History Curriculum, The Mystery of History, a chronological complete Christian World History Curriculum for all ages authored by Linda Lacour Hobar. Four volumes spanning from creation to modern times. The original black cultures of Eastern Europe and Asia - ancient man and his first civilizations, the original black cultures of Eastern Europe and Asia and their first contacts with the invading albino people of Central Asia. History New World Encyclopedia - History is a word of multiple meanings all related to the past when used as the name of a field of study. History traditionally refers to the study and chronology of past events, often including an account of the events as significant to the people involved and a consideration of the causes of those events.
