The Wide Range Achievement Test 4 (WRAT4) is an achievement test which measures an individual's ability to read words, comprehend sentences, spell, and compute. CWCS has chosen the WRAT version 4 as the assessment test to be administered yearly to transitional kindergarten once the student turns 5 through 1st grade students. Ann Arbor Publishers Leading Suppliers of Learning have chosen the WRAT version 4 as the assessment test to be administered yearly to transitional kindergarten once the student turns 5 through 1st grade students. CWCs has chosen the WRAT version 4 as the assessment test to be administered yearly to transitional kindergarten once the student turns 5 through 1st grade students.
