Wu Zhao China's Female Emperor - pohyi.ga

Wu Zhao, China's only female emperor, ruled the whole country for almost half a century. She was known as Wu Zhao in life and Wu Zetian in death. Wu Zhao was considered an effective governor and is also known for her ruthless policies. She was the first female emperor in Chinese history who actually ruled the country, and she is seen as both a powerful ruler and a controversial figure.

Wu Zhao's background helped her to become the only female emperor in Chinese history. She was born around 624 and was a noble beautiful and well-educated concubine of the elderly Emperor Taizong at the age of 14. She became China's only female emperor through a series of clever machiavellian moves once in power. She pushed through reforms and was considered a highly effective governor. She was also a very early feminist, witting and scheming are only a few of the words that describe the first female emperor of China. Wu Zhao was born circa AD 624, and her story is the account of the first and only female emperor in Chinese history.

Wu Zhao was the only female emperor in Chinese history who actually ruled the whole country for almost half a century. She was known as Wu Zhao in life and Wu Zetian in death.
